THE CENTRAL SECRETARIAT SERVICE SECTION OFFICERS' GRADE COMPETITIVE EXAMINATION REGULATIONS, 1964

G.S.R. 433.—In pursuance of sub-rule (9) of rule 13 of the Central Secretariat Service Rules, 1962, the Ministry of Home Affairs, in consultation with the Union Public Service Commission, hereby makes the following regulations, namely:—

1. **Short title.**—These regulations may be called the Central Secretariat Service Section Officers' Grade Competitive Examination Regulations, 1964.

2. **Definition.**—(1) In these regulations, unless the context otherwise requires,—

- (a) “available vacancies” means the vacancies in the Section Officers' Grade of the Service which are decided to be filled on the results of an examination;
- (b) “examination” means the combined competitive examination held by the Commission for recruitment to the Central Services, Classes I and II;
- (c) “Schedule” means the Schedule appended to these regulations; and
- (d) “Scheduled Castes” and “Scheduled Tribes” shall have the same meanings as are assigned to them by clauses (24) and (25) respectively of article 366 of the Constitution of India;

(2) All other words and expressions used in these regulations and not defined herein shall have the meanings respectively assigned to them in the Central Secretariat Service Rules, 1962.

3. **Holding of the examination.**—(1) The examination shall be conducted by the Commission in the manner notified by the Ministry of Home Affairs from time to time.

(2) The dates on which and the places at which the examination shall be held shall be fixed by the Commission.

4. **Conditions of eligibility.**—In order to be eligible to compete at the examination, a candidate must satisfy the following conditions, namely—

(i) **Nationality**—

- (a) He must be a citizen of India, or
- (b) He must belong to such categories of persons as may from time to time be notified in this behalf by the Ministry of Home Affairs.

(ii) **Age**—

He must have attained the age of 21 years, and must not have attained the age of 24 years on the first day of August of the year in which the examination is held:

Provided that the upper age-limit may be relaxed in respect of such categories of persons as may be notified in this behalf by the Ministry of Home Affairs, from time to time, to the extent notified in respect of each category.

(iii) Educational Qualifications—

He must hold a degree of any one of the Universities specified in the Schedule or possess a qualification recognised by the Government as equivalent to such a degree:

Provided that—

- (a) in exceptional cases, the Commission may treat a candidate as qualified who, though not possessing any of the qualifications prescribed in this clause, has passed examinations conducted by other institutions, if the examinations are in the opinion of the Commission, of a standard sufficient to justify his admission to the examination; and
- (b) candidates who are otherwise qualified but have taken degrees from foreign Universities not specified in the Schedule may also be admitted to the examination at the discretion of the Commission.

(iv) Attempts at the examination—

Unless covered by any of the exceptions notified by the Ministry of Home Affairs from time to time, in this behalf, he should not already have competed more than once at the examinations held after the 1st January, 1961.

(v) Fees—

Subject to such exemptions or concessions or both, as may be notified in this behalf by the Ministry of Home Affairs from time to time, he shall pay the fees prescribed by the Commission.

5. Canvassing of candidature.—Any attempt on the part of a candidate to obtain support for his candidature by any means may be held by the Commission to disqualify him for admission to the examination.

6. Decision as to eligibility.—The decision of the Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final and no candidate to whom a certificate of admission has not been issued by the Commission shall be admitted to the examination.

7. Results.—(1) The names of the candidates who are considered by the Commission in their discretion to be suitable for appointment on the results of the examination shall be arranged in the order of merit and subject to the provisions of sub-regulation (5) of Regulation 8, they shall be recommended for appointment in that order upto the number of appointments decided to be made.

(2) The form and manner of communication of the results of the examination to individual candidates shall be decided by the Commission in their discretion.

8. Appointments.—(1) Success in the examination confers no right to appointment to the Section Officers' Grade of the Service unless Government are satisfied, after such enquiry as may be considered necessary, that the candidate is suitable in all respects for appointment to the public service.

(2) No candidate shall be appointed to the Section Officers' Grade of the Service who after such medical examination as the Central Government may prescribe is not found to be in good mental or bodily health and free from any mental or physical defects likely to interfere with the discharge of the duties of the Service.

(3) No person who has more than one wife living or who, having a spouse living, marries in any case in which such marriage is void by reason of its taking place during the life time of such spouse, and no woman whose marriage is void by reason of the husband having a wife living at the time of such marriage or who has married a person who has a wife living at the time of such marriage, shall be eligible for any appointment on the results of the examination:

Provided that the Central Government may, if satisfied that there are special grounds for so ordering, exempt any person from the operation of this sub-regulation.

(4) Save as provided in sub-regulation (5) of this regulation, appointments to the Section Officers' Grade of the Service on the results of any examination shall be made to the extent of the available vacancies, in the order of merit of the

candidates recommended by the Commission for appointment, subject to reservations for the Scheduled Castes and Scheduled Tribes in accordance with the orders issued by the Ministry of Home Affairs in this behalf from time to time.

(5) Candidates belonging to the Scheduled Castes and the Scheduled Tribes who are considered by the Commission in their discretion to be suitable for appointment on the results of the examination with due regard to the maintenance of the efficiency of administration shall be eligible to be appointed to the vacancies reserved for them irrespective of their ranks in the order of merit in the examination.

9. Penalty for impersonation or other misconduct.—A candidate who is or has been declared by the Commission guilty of impersonation or of submitting fabricated documents or documents which have been tampered with or of making statements which are incorrect or false or of suppressing material information or otherwise resorting to any other irregular or improper means for obtaining admission to the examination, or of using or attempting to use unfair means in the examination hall or of misbehaviour in the examination hall, may in addition to rendering himself liable to criminal prosecution,—

(a) be debarred permanently or for a specified period—

(i) by the Commission, from admission to any examination or appearance at any interview held by the Commission for selection of candidates; and

(ii) by the Central Government from employment under Government;

(b) be liable to disciplinary action under the appropriate rules, if he is already in service under Government.

MINISTRY OF WORKS, HOUSING & REHABILITATION

(Department of W. & H.)

(Central Boilers Board)

New Delhi, the 24th February 1964

G.S.R. 439.—The following draft of certain regulations further to amend the Indian Boiler Regulations, 1950, which the Central Boilers Board proposes to make in exercise of the powers conferred by section 28 of the Indian Boilers Act, 1923 (5 of 1923), is published as required by sub-section (1) of section 31 of the said Act, for the information of all persons likely to be effected thereby; and notice is hereby given that the said draft will be taken into consideration on or after the 30th April, 1964.

Any objections or suggestions which may be received from any person with respect to the said draft before the date so specified will be considered by the Central Boilers Board. Such objections or suggestions should be addressed to the Secretary, Central Boilers Board, Ministry of Works, Housing and Rehabilitation, (Department of Works and Housing), North Block, New Delhi.

Draft Regulations

1. These regulations may be called the Indian Boiler (Amendment) Regulations, 1964.

2. In the Indian Boiler Regulations, 1950,—

(1) for regulation 9, the following regulation shall be substituted, namely:—

"9. *Process of manufacture*—Structural Steel for boilers shall be made by an Open Hearth or Electric Process or by any of the Oxygen Processes. Oxygen process, steel shall not be used for working metal temperatures exceeding 454°C (850°F)."

(2) in regulation 10, for clause (a), the following clause shall be substituted, namely:—

"(a) The steel shall contain not more than 0.050 per cent of sulphur or of phosphorus and oxygen process steel shall in addition contain not more than 0.008 percent of nitrogen."

(3) in regulation 26, for the words "Open Hearth or Electric Process", the following words shall be substituted, namely:—

"Open Hearth or Electric Process or any of the Oxygen Processes."

(4) for the heading above regulation 36, the following heading shall be substituted, namely:—

"COLD DRAWN SEAMLESS CARBON STEEL BOILER AND SUPER-HEATER TUBES FOR DESIGN METAL TEMPERATURES NOT EXCEEDING 454°C (850°F)."

(5) in regulation 36, for clause (a), the following clause shall be substituted, namely:—

"(a) *Material*.—The tubes shall be seamless and made of steel produced by an Open Hearth or Electric Process or any of the Oxygen Processes. The steel shall contain not more than 0.050 percent of sulphur or of phosphorus and the oxygen process steel shall in addition contain not more than 0.008 percent of nitrogen. The manufacturer shall supply a certificate of analysis when required to do so."

(6) for the heading above regulation 43, following heading shall be substituted, namely:—

"HOT FINISHED SEAMLESS CARBON STEEL BOILER AND SUPER-HEATER TUBES FOR DESIGN METAL TEMPERATURES NOT EXCEEDING 454°C (850°F)."

(7) in regulation 43, for clause (a), the following clause shall be substituted, namely:—

"(a) Material.—The tubes shall be seamless and made of steel produced by an Open Hearth or Electric Process or any of the Oxygen Processes. The chemical composition of the material of the tubes shall conform to the following analysis and the steel produced by the Oxygen process shall in addition contain not more than 0.008 percent of nitrogen:—

Chemical Composition (ladle analysis)

**Carbon	0.25% maximum
Silicon	0.35% maximum
Manganese	0.30% minimum
Phosphorus	0.050% maximum
Sulphur	0.050% maximum

These provisions cover two quality groups of steels, namely, grade 1 and grade 2, depending on their tensile properties.

****A carbon content not exceeding 0.35% may be permitted subject to the approval of the Inspecting Authority".**

(8) in regulation 58, for clause (a), the following clause shall be substituted, namely:—

"(a) Material.—Process—The steel shall be produced by an Open Hearth, or Electric Process or any of the Oxygen Processes. The steel shall contain not more than 0.050 percent of sulphur or of phosphorus and the oxygen process steel shall in addition contain not more than 0.008 percent of nitrogen."

(9) in regulation 74, (i) for clause (a), the following clause shall be substituted, namely:—

*** (a) Process of manufacture.**—Steel for castings shall be made by an Open Hearth or Electric Process or any of the Oxygen Processes. Oxygen process steel shall not be used for temperatures exceeding 454°C (850°F)."

(ii) in clause (b), for the words "The Steel shall contain", the following shall be substituted, namely:—

"The steel shall comply with the chemical composition specified in the table below and the Oxygen Process Steel shall in addition contain not more than 0.008 per cent of nitrogen."

(10) in regulation 81(i) for clause (a), the following clause shall be substituted, namely:

"(a) Process of manufacture.—Steel for forgings shall be made by an Open Hearth or Electric Process or any of the Oxygen Processes. Oxygen Process steel shall not be used for temperatures exceeding 454°C (850°F)."

(ii) for clause (b), the following clause shall be substituted, namely:—

"(b) Chemical analysis.—The steel shall contain not more than 0.050 per cent of sulphur or of phosphorus and Oxygen Process steel shall in addition contain not more than 0.008 per cent of nitrogen."

(11) for regulation 235, the following regulation shall be substituted, namely:—

"235 Process of Manufacture.—Carbon steel for seamless steel drums shall be made by an Open Hearth or Electric Process or any of the Oxygen

Processes. Oxygen Process steel shall not be used for working temperatures exceeding 454°C (850°F)."

(12) for regulation 236, the following regulation shall be substituted, namely:—

"236. *Chemical Analysis*.—The steel shall contain not more than 0.050 per cent of sulphur or of phosphorus and Oxygen Process steel shall in addition contain not more than 0.008 per cent of nitrogen."

(13) in regulation 344, for clause (a), the following clause shall be substituted, namely:—

"(a) The pipes shall be made from steel made by an Open Hearth or Electric Process or by any of the Oxygen Processes. Oxygen Process steel shall not be used for working metal temperatures exceeding 454°C (850°F). Hot finished seamless pipes may, however, be made of Bessemer Steel. Bessemer steel shall not be used for pressures exceeding 21 kg./cm.² (300 lbs./in.²) or temperature exceeding 206°C (500°F). If the Bessemer Process is used, the steel shall be made by a manufacturer approved by the Inspecting Authority.

When used for temperatures exceeding 389°C (750°F) the steel shall be of non-segregated or fully killed type."

(14) in Form IV, for the portion beginning with "We hereby certify" and ending with "standard tests", the following shall be substituted, namely:—

"We hereby certify that the material described below has been made by
..... the process."

MERCHANT SHIPPING

New Delhi, the 6th March 1964

G.S.R. 450.—The following draft of certain rules which the Central Government proposes to make in exercise of the powers conferred by section 344 of the Merchant Shipping Act, 1958 (44 of 1958), is hereby published, as required by the said section, for the information of all persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration on or after the 14th day of April, 1964.

Any objection or suggestion which may be received from any person with respect to the said draft before the date so specified will be taken into consideration by the Central Government.

Draft Rules

1. **Short title.**—These rules may be called the Merchant Shipping (Safety Appliances Certificates) Rules, 1964.

2. **Definitions.**—In these rules, unless the context otherwise requires,—

- (a) "Act" means the Merchant Shipping Act, 1958 (44 of 1958);
- (b) "principal officer" means the principal officer, Mercantile Marine Department or, in his absence, the surveyor who carries out his duties;
- (c) "Schedule" means a Schedule appended to these rules.

3. **Application for certificates.**—Except where the owner or master of a ship is in possession of a Safety Convention Certificate, issued under the Merchant Shipping (Safety Convention Certificates) Rules, 1964, the owner or master or his agent shall make an application for the grant of appropriate certificates, referred to in sub-section (3) of section 307 of the Act. Every such application shall be accompanied by fees specified in items I to V of the First Schedule.

[*Explanatory Note.*—For draft of Merchant Shipping (Safety Convention Certificates) Rules, 1964, see G.S.R. No. _____ published in this issue of the Gazette].

4. **Inspection by surveyor.**—On receipt of an application under rule 3, the principal officer shall depute a surveyor or surveyors or a radio inspector, as the case may be, for the inspection of the ship who shall, after inspection, submit a report to the Principal Officer:

Provided that where the owner or master or his agent desires such inspection to be made on a Sunday or other holiday or between the hours of 5 p.m. and 7 a.m., he shall be liable to pay additional fees as specified in items VI and VII of the First Schedule.

5. **Forms of certificates.**—The certificates shall be granted in duplicate and shall be in the appropriate form set out in the Second Schedule.

6. **Certificates to be affixed in conspicuous part of ship.**—The owner or master of every ship for which a certificate has been granted under these rules shall forthwith, on receipt of the certificate, cause the duplicates thereof to be affixed and kept affixed so long as the certificates remain in force and the ship is in use on some conspicuous part of the ship where they may be easily read by all persons on board thereof.

7. **Suspension or cancellation of certificate.**—(1) Any certificate granted under these rules may be cancelled or suspended by the principal officer if he has reason to believe:

- (a) that the declaration regarding the sufficiency of hull, boilers, engines or any of the equipment of the ship has been fraudulently or erroneously made; or
- (b) that the certificate has otherwise been issued upon false or erroneous information.

(2) Before any certificate is cancelled or suspended under sub-rule (1), the holder thereof shall be given a reasonable opportunity of showing cause why the certificate should not be cancelled or suspended as the case may be;

Provided that this sub-rule shall not apply where the Director General of Shipping is satisfied that for some reason to be recorded in writing it is not reasonably practicable to give to the holder of the certificate an opportunity of showing cause.

8. **Alterations in ships subsequent to grant of certificates.**—(1) The owner, agent or master of a ship in respect of which certificates granted under these rules are in force, shall, as soon as possible after any alteration is made in the ship's hull, equipment or machinery which affects the efficiency thereof or the seaworthiness of the ship, give written notice to the principal officer containing full particulars of the alteration.

(2) If the principal officer has reason to believe that since the survey of a ship for the purpose of issue of any certificate under these rules—

- (a) any such alteration as aforesaid has been made in the hull, equipment or machinery of the ship; or
- (b) the hull, equipment or machinery of the ship has sustained any injury or is otherwise insufficient;

the principal officer may require the ship to be again surveyed to such extent as he may think fit, and, if such requirement is not complied with, may cancel the relevant certificate or certificates issued under these rules in respect of the said ship.

9. Delivery of expired, cancelled or suspended certificates.—Every certificate granted under these rules which has expired or has been cancelled or suspended, shall be delivered to the principal officer.

Any objection or suggestion which may be received from any person with respect to the said draft before the date so specified will be taken into consideration by the Central Government.

DRAFT RULES

1. **Short title.**—These rules may be called the Merchant Shipping (Safety Convention Certificates) Rules, 1964.

2. **Definitions.**—In these rules, unless the context otherwise requires,—

(a) "Act" means the Merchant Shipping Act, 1958 (44 of 1958);

(b) "International voyage" means a voyage from any port or place in India to a port or place outside India;

(c) "principal officer" means the principal officer, Mercantile Marine Department or, in his absence, the surveyor who carries out his duties;

(d) "Schedule" means a Schedule appended to these rules.

3. Application for certificates.—Every application for the grant of a certificate referred to in sub-sections (1) and (2) of section 307 of the Act shall be made by the owner, agent or master of the ship to the principal officer and shall be accompanied by fees specified in items I to VI of the First Schedule.

4. Inspection by surveyor.—On receipt of an application under rule 3, the principal officer shall depute a surveyor or surveyors or a radio inspector, as the case may be, for the inspection of the ship who shall, after inspection, submit a report to the principal officer:

Provided that where the owner or master or his agent desires such inspection to be made on a Sunday or other holiday or between the hours of 5 p.m. and 7 a.m., he shall be liable to pay additional fees as specified on items VII and VIII of the First Schedule.

5. Forms of certificate.—The certificates shall be granted in duplicate and shall be in the appropriate form set out in the Second Schedule.

6. Certificates to be affixed in conspicuous part of ship.—The owner or master of every ship for which a certificate has been granted under these rules shall forthwith, on receipt of the certificate, cause one of the duplicates thereof to be affixed and kept affixed so long as the certificate remains in force and the ship is in use on some conspicuous part of the ship where it may be easily read by all persons on board thereof.

7. Suspension or cancellation of certificate.—(1) Any certificate granted under these rules may be cancelled or suspended by the principal officer, if he has reason to believe.—

(a) that the declaration regarding the sufficiency of hull, boilers, engines or any of the equipment of the ship has been fraudulently or erroneously made; or

(b) that the certificate has otherwise been issued upon false or erroneous information.

(2) Before any certificate is cancelled or suspended under sub-rule (1), the holder thereof shall be given a reasonable opportunity of showing cause why the certificate should not be cancelled or suspended, as the case may be:

Provided that this sub-rule shall not apply where the Director General of Shipping is satisfied that for some reason to be recorded in writing it is not reasonably practicable to give to the holder of the certificate an opportunity of showing cause.

8. Alterations in ships subsequent to grant of certificates.—(1) The owner, agent or master of a ship in respect of which a certificate granted under these rules is in force, shall, as soon as possible after any alteration is made in the ship's hull, equipment or machinery which affects the efficiency thereof or the seaworthiness of the ship, give written notice to the principal officer containing full particulars of the alteration.

(2) If the principal officer has reason to believe that since the survey of a ship for the purpose of issue of any certificate under these rules—

(a) any such alteration as aforesaid has been made in the hull, equipment or machinery of the ship; or

- (b) the hull, equipment or machinery of the ship has sustained any injury or is otherwise insufficient;

the principal officer may require the ship to be again surveyed to such extent as he may think fit, and, if such requirement is not complied with he may cancel the certificate issued under these rules in respect of the said ship.
